

**HERO
2 HIRED**

Is on the Move!

We're transitioning to the
Veterans Employment Center website
as we participate in the Federal government's effort to
consolidate their web-based veteran/military hiring tools to
a one-stop shop.

Create your profile and search for jobs on the
Dept. of Veterans Affairs' Veterans Employment Center (VEC)
<https://www.ebenefits.va.gov/jobs>

"The heart and success of Hero2Hired has always been the personal touch of our H2H
Employment Coordinators. This transition will not impact their
excellent customer service to employers and job seekers."
